Dear *Buyer Name*,

Thank you so much for buying my *animal specie* from the Johnson County Livestock Show Auction. I raised my *animal specie* for \_\_\_ months and learned a lot from it. *List a few things you learned from raising your animal and how you will use the money you earned.*

Thank you again for your generosity; without the community's support our organization would not be successful. We hope to see you again at next years auction!

Sincerely,
